Dear Ms Malik,

I refer to the two letters you sent regarding the above application and I confirm the following:-

1. I attach a copy of the site/location plan showing the visibility splays.
2. Site plan attached showing the garage to be converted.
3. CIL questions attached. However, I have checked my Planning Portal account and the CIL questions were submitted with the original application.
4. Validation checklist attached indication connection to main sewer as noted on the plans.

I am copying this to the general Arun Planning email address as I have a history of you not receiving my emails.

Please contact me if you have further queries.

Regards,

Chris Moore
