Description of works: Coffee trailer business to be located on the shingle area adjacent to the paved forecourt. This application may affect the setting of a listed building & is in CIL Zone 4 (Zero Rated) as other development.

Thank you for your internet representation made on 13th July 2021 which has been recorded as support with the comments as follows:

Completely support this idea! There are not enough opportunities for business' and young people to start up and middleton on sea is lacking in all business departments and in any modernisation. I think this is a great idea as it'll encourage more people to come to middleton to spend money. Emma Jade Beauty has brought so much revenue to the area why not allow businesses to expand and see what happens. All the nay sayers are of the same average age group and have spread a lot of hate online rather than going through the correct platforms and people, give the new generation a voice and a say in how middleton will grow. If we reject every new idea or business then slowly we will lose everything and middleton will rot. I personally believe allowing this to go forward would be great for the village and could even encourage and inspire others locally to follow their dream.
