Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: M/88/21/PL
Site Address: 155 Middleton Road Middleton-On-Sea PO22 6DF
Description of works: Coffee trailer business to be located on the shingle area adjacent to the paved forecourt. This application may affect the setting of a listed building & is in CIL Zone 4 (Zero Rated) as other development.

Thank you for your internet representation made on 14th July 2021 which has been recorded as an objection with the comments as follows:

OWPC38298

I am objecting to the application to put a mobile snack and catering unit in Middleton on sea. Our village is a residential community that already has 2 established catering businesses and a post office and off licence that also sells confectionery and refreshments. Our businesses have suffered during covid and need our support. A mobile van is not in keeping with the village. A mobile unit will attract traffic, rubbish, vermin. If you stand in the middle of our village you can see 2 places to buy refreshments on both sides of the road. We absolutely do not need another facility let alone a mobile van. Please note this objection to the type of catering unit, the location which is near to a road crossing island and will cause traffic and people congestion, the threat to existing business and the negative impact to the astjetic look of our traditional village.

Your views as made above will be considered before the application is determined.
