I have just been made aware of this planning application and as the next door neighbour, I am appalled that such an application has even been considered. I cannot think of a single reason in favour of this application and hope it is rejected. The space being considered is tiny and is currently used for several Wheelie Bins. It is also very close to my flat on the ground floor of Middleton Place. This also a very crowded and busy part of the street with heavy traffic and serious parking problems and a Bus Stop which buses struggle to stop at. There is also a superb Cafeteria very nearby.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
