I am forwarding the email I just sent to Anita Gardner who is the Case Officer of the Planning Application I am objecting to and received an automated reply saying that she is on leave till 17/8/21. I know I am a day late but was only informed about this case a couple of hours ago and hope you consider my objections.

Many Thanks,
Harish

Dear Anita,

I am writing regarding application M/88/21/PL which I have just been made aware of. I sincerely hope I am not too late with my objection.

I live in Flat 2 Middleton Place which is 2-3 meters from the site of the proposed Coffee Stall and am very concerned by the application and appalled that it is being considered.

The space in question is very small and is currently occupied by Wheelie Bins. We already have a lot of traffic and parking problems here, thanks to Barleys, a busy Butcher, Wine Shop and Fish and Chips and Emma Jade itself whose forecourt is always full of cars. There is also a Bus stop which the Bus Drivers have difficulty stopping at. This is also the point where people turn off into Sea Lane and the Middleton Sports Club.

I am really amazed that such an application was ever made and urge you as the Case Officer, to reject it.

I have so many objections that I have not listed and request you to write to me to ask for more details and photographic evidence of my objections.

Sincerely,

Harish
