

6th December 2011

Sebbin House.
2 West Place.
Huddersfield On Sea.

PO20 7RP

To whom it may concern.

As an addendum to my letter of support
I refer to the "flooding" issue that has
been mentioned and would comment that
as the footprint of the property will not
increase in any way then the above is
not an issue.

I trust you will forgive me raising
the obvious — but felt it had to be said

Yours faithfully
