Subject: RE: Planning application M/91/11 - First floor extension at 2 West Close, Middleton.
 Janice,

Yes, there are foul and surface water flooding difficulties in the area but we have no record of any incidents at either No 2 or 3. I am unable to say whether the proposed development would have an effect of the flooding problem or vice versa. If you remain concerned then would you please consult our Network Development Service Provider, Atkins, for a formal response from the company.

Regards,

John Challoner BSc(Eng) CEng MICE
 County Sewerage Engineer

Subject: Planning application M/91/11 - First floor extension at 2 West Close, Middleton.

Dear Mr Challoner,

I have been given your name by our Engineer's department in relation to flooding in West Close. The neighbour at No 3 West Close has objected to the above application for a first floor extension and he has brought it to my attention that there is a problem with foul and surface water flooding.

Have you any comments to make on the above.

Regards

Janice Chapman
 Planner
