 Subject: Re: Representation on: M/91/11/ at 2 West Close

Dear Mrs Chapman

Further to my internet submission earlier today and our telephone conversation, may I make an additional point of objection? I have realised that the proposed first storey extension at 2 West Close, Middleton on Sea, will block daylight to the bedroom located at the back of our original two-storey house at 1 West Close. This room is located on the back elevation with a window looking on to the back garden and the existing single storey extension in 2 West Close. If a new storey is built on the existing extension near the boundary on the south side of our property this bedroom, which is used daily and only has the one window, will lose the little daylight it already receives.

This issue will be apparent from the rear gardens of either 1 or 2 West Close.

Many thanks for considering these submissions.

Louise McMurchie
