Dear Mr. Cronin,

Re: 33, Sea Way, Middleton-on-Sea – Ref. M/91/13

Further to our telephone conversation, please find enclosed revised drawings of the proposed Garage extension at the above, drawing numbers 6739/03B and 04.

Our Tree Expert, Mr. E.J. Hennessy of E.J. Hennessy Forestry has recommended that the extension is built 3M from the tree, which is a Holm Oak, in order to safeguard its roots. I have therefore amended the proposal to ensure that the extension is built at least 3M from the tree.

As agreed, the date for determining the Planning application has been extended to Friday April 11th 2014 and I trust you now have sufficient information to favourably determine the application within that timescale.

Should you have any queries or require any further information, please do not hesitate in contacting me.

Yours sincerely,

[REDACTED SIGNATURE]

Andrew Knowles
