Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: M/91/21/PL
Site Address: 27 Central Drive Middleton-On-Sea PO22 7TT
Description of works: Variation of condition 2-approved plans & removal of condition 4-materials included on plans imposed under M/25/19/PL.

Thank you for your internet representation made on 4th August 2021 which has been recorded as an objection with the comments as follows:

OWPC39207

On behalf of concerned members of the Elmer Beach Residents Association (EBRA) who live in close proximity to this build, the EBRA Board of directors objects to planning application M/91/21/PL, 27 Central Drive, Elmer for the following reasons:

- 1) The original agreed planning permission M/25/19/PL indicated that the approved height of the building sympathetically aligned to that of the adjacent and neighbouring properties.
The actual build height exceeds this by up to 2 metres. This actual height is unacceptable as the building now overshadows surrounding properties and is not sympathetic to those residents of the Elmer Beach Estate.
- 2) The actual build height is not present in any previous or current design documents, the only reference to height was from the North and South elevation drawings, which clearly depicted the height as comparable to the existing adjacent property, 25 Central Drive.
- 3) The new un-agreed height sets an unacceptable precedence of new build height across the Elmer Beach Estate for all future building developments.

Your views as made above will be considered before the application is determined.
