Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: M/91/21/PL
Site Address: 27 Central Drive Middleton-On-Sea PO22 7TT
Description of works: Variation of condition 2-approved plans & removal of condition 4-materials included on plans imposed under M/25/19/PL.

Thank you for your internet representation made on 6th August 2021 which has been recorded as an objection with the comments as follows:

OWPC39340

I have twice now asked the case officers for an assurance that Arun Planning does not simply count up the number of Comments for and against an application, and decide a case on pure numbers. As I've not yet received any such assurance I'll suggest that even a John Buchan novel would not ask readers to swallow as just coincidence the rash of near simultaneously posted, identical or curiously similar short notes that enthuse over the beauty or loveliness of the part built shell, while ignoring the crux fact that the bare build height significantly exceeds that shown on the plans. Although a lot of people in the area may be old, this does not necessarily mean they are stupid. All we can hope is that ADC planners aren't stupid either.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. If you have supplied information belonging to a third party, you must make sure you have their permission to do so. If you do not wish your comments to appear on the website or on the file you will need to confirm this by emailing to planning@arun.gov.uk and I will arrange for it to be destroyed although this means that the content will then be disregarded.

The majority of applications are determined under delegated powers by officers. Further information on the decision making process can be found on the website at :<https://www.arun.gov.uk/planning-decision-process>.

Some applications will be determined by the Planning Committee, and I shall write and inform you of the date

of the meeting and the procedures for public speaking if this is the case. However, if your representation has been received after the agenda for the meeting has been finalised and the notifications have been generated, you will not receive notification. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
Group Head of Planning
