Subject: objection to building ref M/91/21

CAUTION: This email originated from outside of the organisation. You should take extra care when clicking links or opening attachments - if you are unsure the content is safe contact the IT Helpdesk before clicking or opening.

I would like to raise my concerns about the height of the building being erected ref M/91/21 as it seems to be much higher than the surrounding properties.
It also appears to be higher than the approved plans.
