Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: M/91/21/PL
Site Address: 27 Central Drive Middleton-On-Sea PO22 7TT
Description of works: Variation of condition 2-approved plans & removal of condition 4-materials included on plans imposed under M/25/19/PL.

Thank you for your internet representation made on 11th August 2021 which has been recorded as an objection with the comments as follows:

OWPC39506

Planning permission is pretty specific and to not build something to the specification that was originally granted might be construed as building what the developers wanted to build in the first place, and never had any intention of building the submitted plan, which was more acceptable to the planners. The construction currently dwarfs everything else on the frontage and is further forward than all other developments other than the immediate next door neighbour to its left.

Allowing this building to stand will set a precedent which would not be conducive to current residents or the character of the area.

Your views as made above will be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish your comments including your name and address on the website. Please make sure that you have only provided information that you are happy will be published in this way. In this case, you will need to track the progress of the application on the council's website <https://www.arun.gov.uk/weekly-lists>

Any comments that are received after the agenda has been finalised will be separately reported to the members of the Planning Committee.

Regardless of how the application is determined I will notify you of the decision.

Yours sincerely

Neil Crowther
