<b>Receipt Name:</b>	<b>Receipt No:</b>	<b>Amount:</b>
PLANNING PORTAL	P128890	£528.00

Thank you for your application which was received on 5th November 2025. I am writing to acknowledge that it was accepted as a valid application on 10th November 2025. On receipt of this letter, if you have any concerns about the way that the Council has described your application you should contact **Susan Haley**, the case officer who is dealing with your application.

The Council will publicise this application by means of a site notice on or near the application site and on our website. **The notice needs to be displayed until the date indicated on it for comments to be made by and for not less than 21 days.** After this period it can be removed. If there are any problems with regards to the site notice (e.g. vandalism), please contact the case officer.

Your application cannot be determined until the end of the statutory publicity and consultation periods which is 11th December 2025. You can follow how your application is progressing on the Council's website:

<https://www.arun.gov.uk/planning-application-search>

The Council aims to make as many decisions as possible before the end of the statutory determination period, which in this case will be 5th January 2026. However, this is not always possible for a number of

reasons, including on-going negotiations or the scheduling of Planning Committees.

If you have not received a decision by 5th January 2026 or agreed in writing to extend the time in which the Council make a decision, you have 6 months in which to appeal to the Secretary of State. Your appeal (under Section 78 of the Town & Country Planning Act 1990) would be that the Council has failed to make a decision and you would be asking a Government Planning Inspector to make the decision instead. You can do this on a form which you can get from the Planning Inspectorate:

Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN

or from the planning portal website: <http://www.planningportal.gov.uk/planning/appeals/>

If you allow the Council extra time to make a decision on your application, and you disagree with the decision, you will still be able to appeal a refusal within 12 weeks from the date the decision was issued or if appealing a condition 6 months from the date the decision was issued.

Please be advised that the Council adopted the Arun Community Infrastructure Levy (CIL) Charging Schedule on 15 January 2020. The CIL Charging Schedule came into effect on 1 April 2020. This application may be CIL Liable and you are advised that you need to complete an assumption of liability form or any appropriate exemption or relief forms available on the Councils website. Copies of the forms can be found at:

<https://www.arun.gov.uk/cil>.

This acknowledgement only relates to this application and not to any other types of planning application or other kinds of applications you have made, or may need to make to the Council, for example Building Regulations approval. You will need to carry out your own checks to determine whether any other consents or permissions are required.

For advice on whether Building Regulations are required visit the government's website <https://www.planningportal.co.uk> or seek your own professional advice. If, in general, you wish to know more about Building Regulation approval and the Building Control Services offered by Arun District Council please see: <https://www.arun.gov.uk/buildingcontrol>

Please do not hesitate to contact the case officer on the above details if you have any questions or queries.

Yours sincerely

**Neil Crowther**  
**Group Head of Planning**
