Dear Anita,

Many thanks for that – I agree to the EOT until 10 November 2021. I will be in touch as soon as I have the revised FRA for you.

Kind regards,

Chris Moore

Hi Chris,
Given the length of time the application has been with us I can agree to keep the application live and allow for receipt of amended drawings and re-consultation. On that basis can you agree an EOT until 10-11-2021?
Regards

Anita

Dear Anita,

I am sorry to hear that you have been unwell and hope that you are now ok.

The client will be reluctant to go through the procedure of withdrawing and re-applying and all the time and costs that this would involved. If we could arrange for the report to be updated with the information that the EA seeks say by the end of next week – do you think that we could serve the document for consideration within the course of this application – we would be happy to agree the necessary EOT?

I hope to hear from you soon. In the meanwhile I shall speak with the applicant and seek the necessary information.

Kind regards,

Chris Moore

Dear Chris,

I apologise for the lack of communication on your application and delay in response. I have been on sick leave for the last 3 weeks and your application was not reallocated in my absence.

I note the objection from Environment Agency. I would suggest that the application is withdrawn and resubmitted in due course with a revised FRA and design amendments to address Environment Agency's comments or the application will be refused on flood risk grounds.

Regards

Anita

Dear Anita,

I hope that you are well and not too busy – strange times eh?

I am writing on the above subject to see if you have any news on how things are going? I notice that the EA have objected to the FRA – regarding the climate change and comparative floor levels. We had hoped that because the development follows similar lines to the ones approved adjacent, that this could be accepted on this basis.

Could you let me know if this is likely to be a stumbling block as I would like to keep the applicant informed on what they would need to do.

Thanks Anita – I look forward to hearing from you.

Kind regards,

Chris Moore
