20th July 2018

Dear Mr Bauza

Ref: M/94/17/PL

I am writing regarding the various phone messages and emails I have sent about an alteration to our planning permission granted last October.

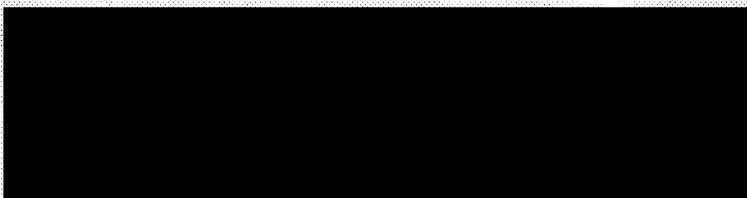

We have now started the build, and have been trying to confirm with you that it is ok to add two small windows either side of the house. These will solve an air flow and light issue respectively. Neither windows can be seen by or overlook our neighbours.

Due to time constraints we have had these windows incorporated into the building regulations, so am truly hoping this is not going to be a problem. I will attach again copies of the plans. You should also have these copies online attached to previous emails.

If you could confirm that we are ok to go ahead we would be extremely grateful.

Kind regards

Yours sincerely

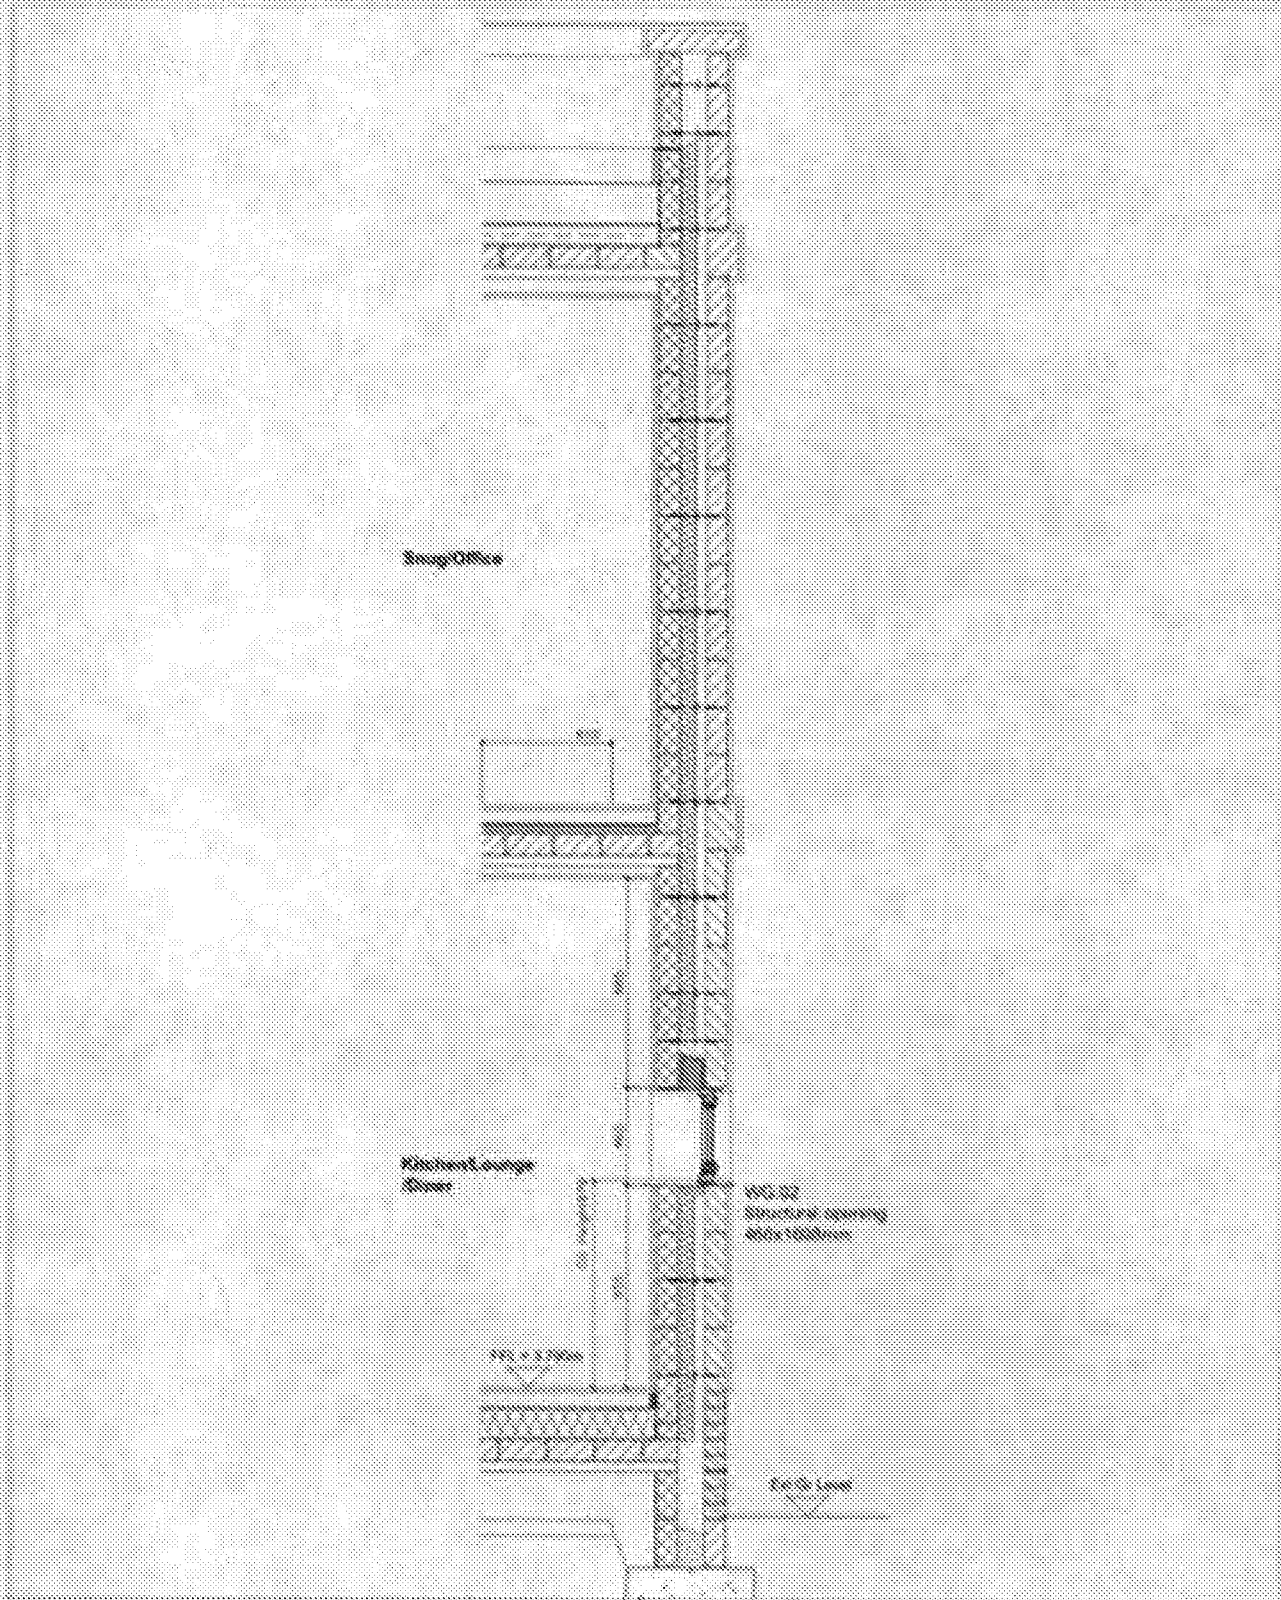

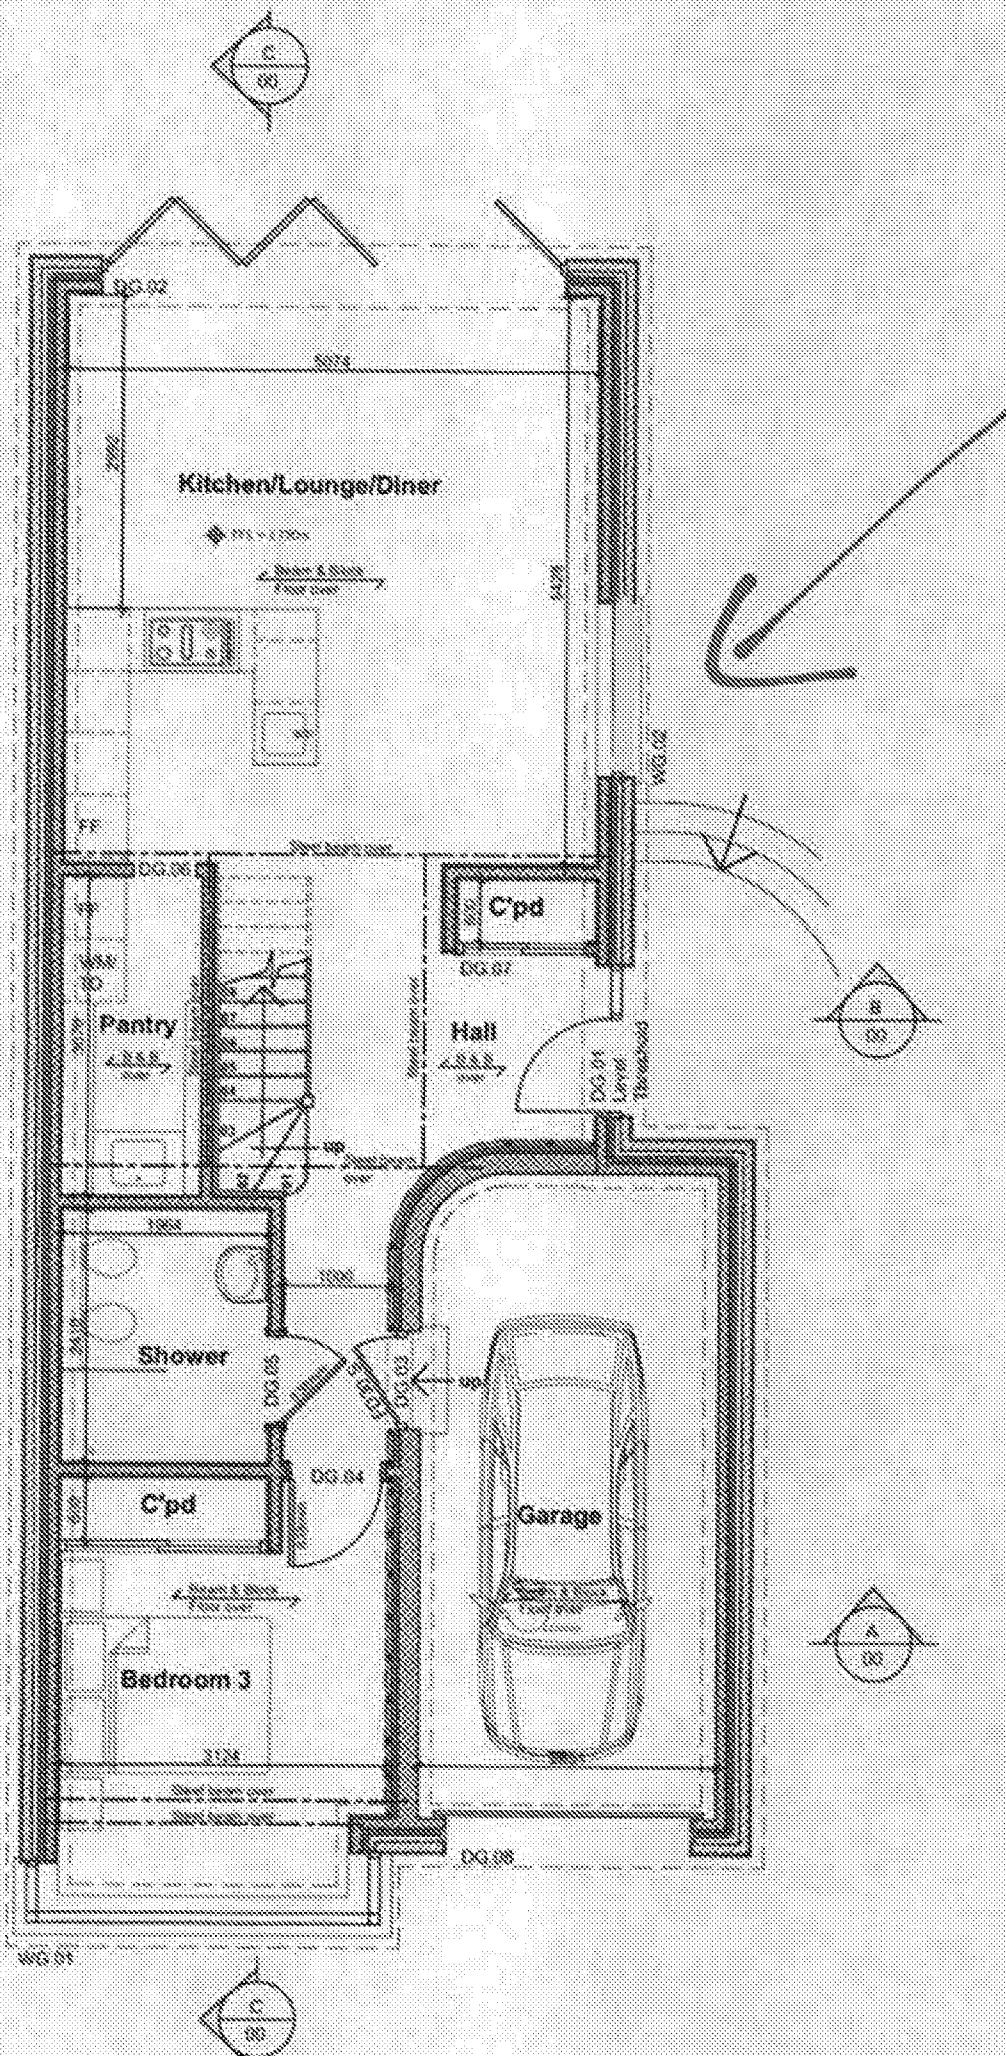

Abi Hudlass-Galley
& Chris Galley
