Comment from Greenspace

Further to submission of Dwg MT-1547/1 Rev A, I would recommend that there is insufficient detail provided re proposed landscape scheme detailing species choice, specific numbers, planting densities and size at time of planting and also lacking information re tree protection measures therefore **I would not recommend the discharge of Condition 4 landscaping** on application M/94/18/DOC imposed under M/39/17/HH until the above information has been submitted for approval.
