Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: M/97/21/PL
Site Address: 76-78 Flat Above Elmer Road Middleton-On-Sea PO22 6EX
Description of works: Creation of 2 x bedrooms within proposed new roofspace resubmission of M/7/21/PL

Thank you for your internet representation made on 8th September 2021 which has been recorded as an objection with the comments as follows:

OWPC40226

I am against this application because my privacy would be violated. There was no yellow notification to warn us of this development and if there was one, it was taken down fairly quickly. The height is already inappropriate for the surrounding area and the balcony which seems to have already been nearly completed even no permission given looks right down the full length of shaw drive front gardens and rose avenue back gardens. An extra story is totally inappropriate and not only will look out of place in village will take away privacy from other surrounding roads because of extra height. I do believe that properties built before a certain date which most of the surrounding properties are, are due light and privacy which will be removed by this application. The extra height will set a legal precedent for the surrounding properties which can then they can apply to go up another two stories.

Your views as made above will be considered before the application is determined.
