Hi Zoe,

I hope you are well, I just wanted to check that you received my client's letter regarding the above as I can't seem to see it on the portal? I have read through the rep letters and most of which refer to the balcony? We aren't intending to propose a balcony, it is an inward opening set of French doors with a Juliet balustrade so will not overlook any property anymore than a regular window. With regards to the height of the roof, this will be in line with the neighbouring properties and will actually make the property sit better within the street scene. If you could please let me know any thoughts you have on the application it would be most appreciated as if we need to make any alterations I can do these before the determination period ends. Thanks in advance

Many Thanks

Jack Dowling
