

notes

1. No alteration must be made from the details shown on the drawings without prior permission of the architect. Any alterations must be agreed in writing and signed by the architect. The architect is not responsible for any errors or omissions in the drawings. The drawings are to be used for information only and are not to be used for any other purpose.
2. No dimensions to be scaled from the drawings unless otherwise stated. All dimensions are to be taken from the finished face of the work.
3. This drawing is to be used for information only and is not to be used for any other purpose. The architect is not responsible for any errors or omissions in the drawings. The drawings are to be used for information only and are not to be used for any other purpose.
4. The contractor must check the building construction on the spot to be the commencement of the works.
