Good afternoon Rhiannon
Following up to your message to Jesse Chapman, please find attached a revised drawing that amends the side – east and west – elevations. The elevations now show the correct height to the side panelling.

Many thanks
Neil Caie

Good afternoon Rhiannon.

Thank you for your email.

I have copied-in the architect so he can pick-up on the points that you have raised.

Also, and as I have set out previously, I am in the process of addressing the points that have been raised by third parties and will get our comments to you this week.

In the meantime, are you able to give me your thoughts on the proposal?

Kind regards

Jesse

Good afternoon Jesse,

I note a mistake on the proposed plans.

The annotations on the floor plans relating to the fixed side panels appear to be reversed. The east side is labelled as 1.8m, whereas this measurement appears to apply to the west side, and vice versa. As such they do not align with the proposed elevations.

Please could you provide amended plans with the annotations corrected.

Kind regards,
Rhiannon
