Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: M/99/21/PL
Site Address: Guernsey Farm Yapton Road Middleton-On-Sea PO22 6DY
Description of works: Change of use of existing farm shop and agricultural buildings to light industrial (Class E(g)) and storage and distribution use (Class B8). This site is in CIL zone 5 (Zero Rated) as other development.

Thank you for your internet representation made on 22nd July 2021 which has been recorded as an objection with the comments as follows:

OWPC38642

As the immediate adjacent property we are concerned with noise particularly the use of HGV vehicles in the planing application can you please put a limit on the size of vehicles using the site with restricted hours of use say working only between office hours 8AM to 8PM this will assist local people to enjoy a normal life without noise pollution effecting them. Currently the farmer is most understanding and has restricted his activities to normal day time use.

We also have renovations concerning light pollution from this plan as currently this area is very rural so an industrial complex as defined in this plan goes against the current street scene this in our opinion would go against the current policy as defined within the local plan.

Please turn this plan down and suggest to the applicant that if the WSCC wish to maximise there income then small craft workshop premises would be more acceptable

Your views as made above will be considered before the application is determined.
