Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: M/99/21/PL
Site Address: Guernsey Farm Yapton Road Middleton-On-Sea PO22 6DY
Description of works: Change of use of existing farm shop and agricultural buildings to light industrial (Class E(g)) and storage and distribution use (Class B8). This site is in CIL zone 5 (Zero Rated) as other development.

Thank you for your internet representation made on 30th July 2021 which has been recorded as an objection with the comments as follows:

OWPC39012

We live along the lane and there is already an industrial unit at the end of the road which is sometimes quite noisy when we try and relax in our garden. We would be concerned with the increase in traffic along the narrow lane as its already used as a 'rat run'. We understand there are also plans for the abandoned poultry farm which will add to the traffic. We would request a limit on the times for work at the site and size of vehicles entering the site. We would also suggest a survey of all vehicles already using the lane before any other decisions are made as its also used as a race track.

Another concern would be more vehicles crossing comet corner, which is a well known death trap. The council need to address the wider issues prior to any decisions being made in further development around Middleton Village.

Your views as made above will be considered before the application is determined.
