Dear Sir/Madam,

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Application No: M/99/21/PL
Site Address: Guernsey Farm Yapton Road Middleton-On-Sea PO22 6DY
Description of works: Change of use of existing farm shop and agricultural buildings to light industrial (Class E(g)) and storage and distribution use (Class B8). This site is in CIL zone 5 (Zero Rated) as other development.

Thank you for your internet representation made on 18th August 2021 which has been recorded as an objection with the comments as follows:

OWPC39695

With the latest IPCC report just out with a message described as "code red for humanity", we need to cut CO2 emissions drastically. Having a distribution centre would mean increased traffic, greater air pollution and therefore deterioration in health and wellbeing in the area. Growing food insecurity is best tackled through local food production. Therefore, I propose that the use of buildings and land are kept for agricultural purposes.

Your views as made above will be considered before the application is determined.
