Subject: Guernsey Farm - Change of use of existing farm shop and agricultural buildings to light industrial - M/99/21/PL

CAUTION: This email originated from outside of the organisation. You should take extra care when clicking links or opening attachments - if you are unsure the content is safe contact the IT Helpdesk before clicking or opening.

Dear Sirs

I wish to object to the above application.

I would like to see the use of the buildings and land kept for Agricultural purposes in this rural area.

We live in uncertain times. Local farming is important. Generally speaking supporting local food systems should have more importance in the planning system and I am pleased to see related issues and sensible policy now moving further up the agenda.

Further reading:

<https://agroecology-appg.org/ourwork/policies-for-local-food-how-local-and-national-government-can-support-sustainable-local-food-2/> 2014.

Thank you for considering my objection.

Yours sincerely
Tessa Burrington
