Subject: FW: Planning Consultation on: M/9/14/

I refer to my previous comment in respect of M/54/13, submitted information suggests that plant complies with Microgeneration Certification Standards (MCS 020) Planning Standards (for permitted development). No EH objection.

Description of Works: Retention of timber lean to construction and new air source heat plant.

The Council have received the above application. I shall be pleased to receive any observations you may wish to make.

[Click here to view the application details](#)

Should you have any comments to make, these should be sent by replying to this email by 03-APR-14.

You can also monitor the progress of this application through the Council web site:
www.arun.gov.uk/planning

Please be aware that any comments you may make will be available on our website so please do not insert personal details or signatures on your reply.

In the absence of a reply within the period stated, I shall assume that you have no observations to make.

The application will be determined having regard to the development plan policies (if any are relevant) and other material considerations. The development plan can be accessed via the website as can the leaflet which deals with material planning considerations.

Should the application go to appeal the Planning Inspectorate will publish any comments made to the Council on their website:

www.planningportal.gov.uk/planning/appeals/ but they will protect personal details.

When the appeal relates to a householder application any comments on the application will be considered by the Inspectorate; there is no opportunity to make any further comments.

The officer dealing with this application is Mr D Sullivan who can be contacted on telephone number 01903 737888.

Regards
Planning Officer
