Subject: 'Fidra' Yapton Road. Ref. M/9/19/HH

Hi. Zac

Sorry to trouble you. My client is chasing me and doesn't understand these things take time. I should have put the Extension on a Larger home application but he cannot do what he wants to do without the Extension. I know normally, an extension would be refused being so far out from the house. Could you bear that in mind.

Thanks

Pete Robinson
