

The Worlds End P.H.
Arundel Road,
Patching,
West Sussex.

COVERING NOTE

Please note that this application was previously granted on the 11th January 2007 but expired in January 2010 (Application References PA/23/06 and PA/23/06/L). The documents submitted originally have been re-submitted for this application as we would like to obtain planning permission for our original scheme

It was confirmed by speaking to a team member in the planning department that the resubmission of these plans without needing to change dates (as we only have pdf copies) would be acceptable to avoid the need of re-drawing.

The application has been updated to be an electronic submission with an inclusion of information for a Heritage Statement to complete the required documents.

I trust this is acceptable and look forward to hearing from you in due course.

Yours faithfully,

A. Thompson B.Sc. (Hons)

Building Surveyor
Hall & Woodhouse Ltd
