Approval of details reserved by condition imposed under ref PO/8/21/L relating to Condition No 2 - details of wood treatment and new windows and doors

I am unable to view the information related to the details of the wood treatment. Please can this be provided?

The proposed rooflights seem to be acceptable. However, the level of information regarding the windows is limited to two photographs. It would help to have sections of the sliding doors – which were not clearly displayed on the approved consent.
