Dear Mr Hall,

You may have just received email confirmation of the validation of the above application. Please disregard the email. Having passed it through to the Case Officer it has actually come to light that it is not acceptable for the following reason.

The building is too large and Part 6 (Agricultural Buildings & Operations) Part A.1 (d) ii, of the Town & Country Planning (General Permitted Development) Order 1995 indicates any building larger than 465sqm can not be accepted.

I have therefore withdrawn the application and will arrange a refund of the fee paid.

I would suggest reading through Part 6 before resubmitting.

King regards

Julie Grieves
