PO/5/26/DOC

Address: St Johns Priory Poling Street Poling BN18 9PS

Proposal: Approval of details reserved by condition under PO/3/26/L relating to conditions 3- Pointing sample, 4- Brick wall sample and 5- Repairs methodology.

Comments:

Condition 3: Pointing sample – whilst the details provided in the document look to be acceptable, I was not able to see a sample panel as stipulated in the condition. This needs to be prepared for inspection.

Condition 4- Brick wall sample - The details look to be acceptable and are capable of being discharged.

Condition 5- Repairs methodology - The approach proposed seems logical and the condition can be discharged.
