Good morning,

please could you give me authorisation to remove four trees at the following property.

South Barn
Poling
Arundel
West Sussex
Bn18 9pu

One huge dead silver birch tree in the rear garden that is now rather dangerous, hollowed out and at risk of falling. Branches have already left the trunk on occasion.

And also one holly tree with two smaller entangled trees at the drive entrance causing a nuisance with maintaining access for vehicles on the road just outside.

Please see attached images.

Many thanks
Kind regards
Matt Maynard

South Barn
