CONCLUSION

Based on the above comments I conclude that were an application for planning permission to be submitted it would be likely to be refused due to the overlooking upon No 36 to the south. However this can be overcome if the windows are re positioned and it is ensured there is no adverse overlooking. **ADDITIONAL COMMENT:** Further correspondence with Ms Willard concluded that if the bedroom windows on the north and south elevations were to be 1700mm from finished floor height the application would be approved. These changes have been made to the plans.

11. Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

☒ Yes ☐ No

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
