Dear Simon,

Following our formal submission of condition 13 we have now received further comments on the Bylaw application.

We had submitted on the premise that the application was reviewed, a series of comments received and the pack being updated and resubmitted. That resubmission pack is what we formally submitted for condition discharge.

Since, there have been further comments which have again been addressed and resubmitted.

I attach the above revised drawings that we wish to add to our submission and supersede the original versions. I have been advised that all other information within the pack has stayed the same.

I trust that this is acceptable, please let me know if you need anything further.

Thankyou

Mollie Hayter | Design and Development Manager
