POLICY COMMENTARY

The above policies combine to describe the criteria against which the application will be assessed particularly with regard to visual and residential amenity.

The Development Plan consists of the Arun District Local Plan 2003 and the South East Plan adopted in 2009.

It should be noted that the Arun District Local Plan was adopted in 2003 and the South East Plan in 2009.

In accordance with paragraphs 214 of the NPPF, the South East Plan is afforded full weight as part of the development plan. Footnote 41 (page 49) states the Governments clear policy intention to revoke regional strategies.

Paragraph 214 of the NPPF ensures that specific policies in Arun District Local Plan 2003 can carry weight but, because it predates 2004, a reduced weight. The weight afforded to the policies with Local Plan policies can be assessed according to their level of consistency of the various policies with the National Planning Policy Framework. It should be noted that the NPPF states that weight is given to individual policies and not to the plan as a whole.

The emerging local plan has recently been approved by the Council and is therefore a material consideration in the determination of this planning application. Whilst it has not been formally adopted due weight has been given to its policies in terms of the decision making process at this stage.

DEVELOPMENT PLAN AND/OR LEGISLATIVE BACKGROUND

Section 38(6) of the Planning and Compulsory Purchase Act 2004 states:-

"If regard is to be had to the development plan for the purpose of any determination to be made under the planning Acts the determination must be made in accordance with the plan unless

material considerations indicate otherwise."

The proposal is considered to comply with relevant Development Plan policies in that it would have no materially adverse effect on the visual amenities of the locality or the residential amenities of the adjoining properties, nor would it have an adverse impact upon the established character of the surrounding area.

OTHER MATERIAL CONSIDERATIONS

It is considered that there are no other material considerations to warrant a decision otherwise than in accordance with the Development Plan and/or legislative background.

CONCLUSIONS

PRINCIPLE

Application site is located within built up area boundary and residential extensions are acceptable.

GEN7 FORM OF NEW DEVELOPMENT

Proposed extension is of high quality design, responds to constraints of the site and does not have an adverse amenity impact on any adjoining properties.

DEV19 EXTENSIONS TO EXISTING RESIDENTIAL BUILDINGS

Proposed side extension sympathetically relates to and is visually integrated with existing building in siting, design, form, scale and materials. The extension is visually subservient to the main building as it is single storey only and located to the side.

The extension will not have an adverse overshadowing, overlooking or overbearing impact on adjoining properties. Shadow will fall to the subject property and not to neighbouring properties. Proposed windows will look onto rear and front gardens and only rooflights are proposed to the side. The proposed extension is minor and will not compromise the established spatial character or pattern of the street.

PAGHAM VILLAGE DESIGN STATEMENT

Application site is located in Area 4b (Eastern Pagham) of the Pagham Village Design Statement. This area is characterised by uniform dwellings separated from the pavement by shallow open frontages and laid out in cul-de-sacs. The development criteria for the area are to preserve existing scale, height and bulk, consistent use of matching materials, maintain existing unique streetscape, exercise care to prevent loss of privacy by virtue of comparatively high density development and preservation of amenity planting. The proposal complies with this policy as discussed above and no objection is raised.

SUMMARY

Proposal is acceptable in regard to relevant policies and is recommended for approval subject to conditions.

HUMAN RIGHTS ACT

The Council in making a decision should be aware of and take into account any implications that may arise from the Human Rights Act 1998. Under the Act, it is unlawful for a public authority

such as Arun District Council to act in a manner, which is incompatible with the European Convention on Human Rights.

Consideration has been specifically given to Article 8 (right to respect for private and family life) and Article 1 of the First Protocol (protection of property). It is not considered that the recommendation for approval of the grant of permission in this case interferes unreasonably with any local residents' right to respect for their private and family life and home, except insofar as it is necessary to protect the rights and freedoms of others (in this case, the rights of the applicant). The Council is also permitted to control the use of property in accordance with the general interest and the recommendation for approval is considered to be a proportionate response to the submitted application based on the considerations set out in this report.

DUTY UNDER THE EQUALITIES ACT 2010

In assessing this proposal a neutral impact has been identified upon those people with the following protected characteristics (age, disability, gender reassignment, marriage and civil partnership, pregnancy and maternity, race, religion or belief, sex or sexual orientation).

RECOMMENDATION

APPROVE CONDITIONALLY

- 1 The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby approved shall be carried out in accordance with the following approved plans: Site Plans, 01A and 02A.

Reason: For the avoidance of doubt and in the interests of amenity and the environment in accordance with GEN7 and DEV19 of the Arun District Local Plan.

- 3 The materials and finishes of the external walls and roof of the extension hereby permitted shall match in colour and texture those of the existing building.

Reason: In the interests of amenity in accordance with policies GEN7 and DEV19 of the Arun District Local Plan.

- 4 **INFORMATIVE:** Summary of Reasons for Grant Article 31 Development Management Procedure Order 2010

SUMMARY

This planning permission is granted because it complies with the policies listed below in that (the development would not cause any material adverse effect on visual or residential amenity on the surrounding area and its character)and there are no material considerations to indicate otherwise.

RELEVANT POLICIES

LOCAL PLAN: GEN7, DEV19

NATIONAL POLICIES: NPPF

SUPPLEMENTARY PLANNING GUIDANCE: Pagham Village Design Statement

This is only a summary of reasons for granting to comply with Article 31 and full reasons appear in the Officer report.

- 5 Statement pursuant to Article 31 of the Town and Country Planning (Development Management Procedure)(England) (Amendment No. 2) Order 2012. The Local Planning Authority has acted positively and proactively in determining this application by assessing the proposal against all material considerations, including planning policies and any representations that may have been received and subsequently determining to grant planning permission in accordance with the presumption in favour of sustainable development, as set out within the National Planning Policy Framework.
