Hi Nicola,

Please find attached location plan for Pagham FC and block plan for Pagham FC showing the location of the floodlights.

The floodlights are marked as L Twr on the plans.

All we are planning to do ,is to replace the tops of the lights, like for like.

The poles will stay the same as they are now, with the wattage of each light being reduced from 10 to 8.

Also attached is the details of the proposed works.

Any problems please let me know.

Regards
Stephen
Pagham FC Treasurer
