Dear Ms Benham,

The building is to house a goods reception area and storage.

Kind Regards

Simon J Davis MRTPI | Principal Planning Officer, Planning Department, Directorate of Place, Arun District Council |

Ms Benham

I understand this is an application which is being dealt with by Arun District Council rather than ourselves. I have therefore cc'd in the planning officer who is dealing with the application so that they can advise.

Kind regards
Jane.

Subject: Church Farm Pagham p/108/18/PL

Hello

The above planning application is for Church Farm to build a " housekeeping " building on their property.

Please can you confirm exactly what this building is to be used for? As their residential neighbours, we already have issues with lights and noise 24/7 from them. If this building is to be used for washing and drying linen etc, or as storage for food stuff, can we expect steam belching and noise from the building at all hours, or big delivery lorries turning in a road that's already made dangerous by the employees parking there?

If the building is going to belch forth steam and bright lights then I wish to see the enviromnetal report that will have had to be carried out showing the affects on the health of those that live nearby

Kind regards

Frances Benham ALCM
