Subject: Fwd: Objection to application P/108/19/CLP P/109/19CLP P/110/19/CLP

Att Neil Crowther.....further to my recent objection, I would ask that Article 4. Permitted development rights are withdrawn for this site, so that at no time are caravans allowed.
Much Thanks Alan Everett

As previously we object to any application that seeks to position caravan housing at the Newlands Site. There is no footpath, access is on a dangerous bend for pedestrian and vehicular movement, there is no infrastructure to support the numbers proposed, at any given period. How would this site be monitored for use or abuse.

Does ARUN not think Pagham is taking enough housing be it permanent or temporary and has enough immigrant labour provision within it. A lot of effort is going into ruining the Parish. Thank you for your attention. A&S Everett
