Hi Daun

Please see attached for floor plans and elevations of the bungalow. I have also revised the location and block plans as requested.

With regards to the parking if the bungalow was currently occupied by a manager of the Pagham club they would use the club car park as the front door of the bungalow faces into it. If the application is successful there is some thought to the idea of providing off road parking from West Front Road - however this is just an idea at this stage.

Many thanks for your assistance.

Kind regards

Lee Hackett
