Dear Mr Crowther, I feel I should write to you with my objections on the issue of the seasonal workers Village/hub that is planned for a plot of land off the B2166 road at Lagness. Not only is the road at that point very dangerous being on bends and adding to the already very congested road. I also am feeling very upset for the local residents who seem not to have much say in the matter of having these workers / caravans practically in thier back gardens.

I therefore respectfully request an issue on Article 4 directive to remove the permitted development rights for this nursery.
Yours Faithfully Robert and Josephine Robertson.
