Dear Mr Davis

Briggs say the applicant has an intent to move the vans, what does that actually mean? It would appear to me that it leaves the situation not legally binding in anyway.

Kind regards

Abi

Dear Simon,

Apologies for the confusion.

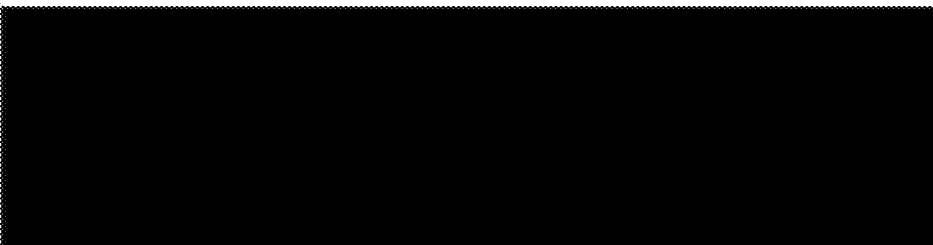

To be clear, it is the applicant's intent that all the caravans will be removed.

You will note that the dates for each LDC application do not overlap and between seasons.

With kind regards

Paul
