Dear Jenni,

Southern Water wrote on 16/10 to maintain their objection on capacity grounds. However, the condition does not allow consideration of capacity rather it just requires details of the network therefore we can approve this regardless of the objection.

Kind Regards

Simon

Hi Simon,

I'm just following up from my previous email. As we haven't heard anything over the last couple of weeks, I trust everything is okay?

If you could provide me with any updates at your earliest convenience, that would be great.

Thank you!
Jenni
