FAO Mrs J Chapman

Please find enclosed amended floor plan and elevations (drawings BAD001/PL02B and PL03C) which we would like supplemented for those currently under consideration for the above application.

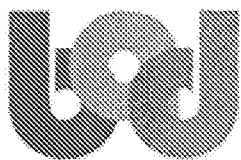

The changes are as follows:

1. An additional window in the south elevation of the rear extension
2. Replacement of 2no French doors with 1no sliding/folding door to the west elevation of the rear extension.

I trust this is acceptable, however if you would like to discuss anything please do not hesitate to contact the undersigned.

Regards
