Dear Sir,

RE: PROPOSED BASE STATION AT HIGHWAY VERGE ON THE WESTERN SIDE OF PAGHAM ROAD, PAGHAM, BOGNOR REGIS, WEST SUSSEX, PO21 4NP

This application is submitted under Part 24 of Schedule 2 to the Town and Country Planning (General Permitted Development) Order 1995, as amended by the Town and Country Planning (General Permitted Development) (Amendment) (England) Order 2001, The Town and Country Planning (General Permitted Development) (Amendment) (England) Order 2013 and the Town and Country Planning (General Permitted Development) (Amendment) (No.2) (England) Order 2013 and in accordance with the electronic communications code under the Telecommunications Act 1984 Schedule 2 as amended by the Communications Act 2003.

This is an application for a determination as to whether the prior approval of the Authority will be required to the siting and appearance of the development.

Vodafone Limited has entered into an agreement with Telefónica UK Limited, commonly known as O2 pursuant to which the two companies plan to jointly operate and manage a single network grid across the UK. These arrangements will be overseen by Cornerstone Telecommunications Infrastructure Ltd (CTIL) which is a joint venture company owned by Vodafone Limited and Telefónica UK Limited.

This agreement allows both organisations to pool their basic network infrastructure, while running two, independent, nationwide networks. It also enables both organisations to maximise opportunities to consolidate the number of base stations and significantly reduce the environmental impact of network development.

This application is submitted for and on behalf of CTIL and Vodafone Limited and comprises:

- Written description of the proposed development – *The removal of the existing 12.5 metre monopole to be replaced by the installation of a 15 metre high dual user street pole radio base station, housing 3no. antennas within a 540mm GRP shroud. 2no. existing equipment cabinets shall be removed to be replaced by the installation of 2no. equipment cabinets, whilst 1no. existing equipment cabinet and 1no. electrical meter cabinet shall be retained in situ;*
- At - Highway verge on the western side of Pagham Road, Pagham, Bognor Regis, West Sussex, PO21 4NP (NGR E488704, N097724) as defined within the plan indicating its location numbered 100;
- Prescribed fee of £385 made payable by cheque to Arun District Council;
- Copy of Developer's Notice sent recorded delivery;
- Confirmation as to whether the developer has had to notify the CAA or MOD or aerodrome operator which clarifies whether the proposal lies within 3km of an aerodrome;
- The Developer's contact and email addresses as stated below.

For your further assistance, we enclose additional information:-

- The original and 3 copies of the 1APP Prior approval form;
- The original and 3 copies of the Drawings Ref. No's: 100, 201, 202, 301 and 302;
- Supplementary Information document;
- General Background Information for Telecommunications Development;
- Health and Mobile Phone Base Stations document;
- ICNIRP declaration and clarification statement.

This application has been prepared in accordance with the Code of Best Practice on Mobile Network Development (July 2013).

The enclosed application is identified as the most suitable option that balances operational need with local planning policies and national planning policy guidance.

Furthermore we would like to assist the Local Planning Authority and would like to offer to arrange a presentation or meeting with your officers and members to discuss the issues if appropriate.

We are committed to maintaining a positive relationship with all Local Planning Authorities and we would be happy to provide any additional information in relation to this application.

We look forward to receiving your acknowledgement and decision in due course.

Yours faithfully,

Dominic Needham BA MPlan (Hons)
