Dear Sir/Madam,

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Application No: P/116/19/OUT
Site Address: Land adjacent to Sefter School House Sefter Road Bognor Regis PO21 3EE
Description of works: Outline application with all matters reserved, except for access, for the erection of 4 No. semi-detached 3-bedroom houses & 2 No. detached 4-bedroom houses with associated access, parking & gardens. This application is a Departure from the Development Plan.

Thank you for your internet representation made on 6th October 2020 which has been recorded as an objection with the comments as follows:

OWPC30113

This will be yet another, large, overcrowded, inappropriate, commercial, housing development on greenfield land. This Government need to increase the protection of farmland and open country-especially in such a sensitive site as Sefter Road at its junction with Pagham Road. This site is on a coastal flood plain and is prone to regular flooding. This plan is for the wrong number of the wrong type of housing, in the wrong place. It should not be built on. As it is, the investors and developers are favoured by the current planning process and the local authorities hands are tied by the LEP contracts. Intensive building here will be an unmitigated disaster for the the local environment. Please do not grant planning permission for this application.

Your views as made above will be considered before the application is determined.
