Thanks for the quick reply and offer of EOT.

Can the details be provided within the next two days or in the early part of week starting 1st Jan?

I will accept the offer of the EOT and will look to make the decision on the application week ending 5th January. Is that suitable?

Richard,

Your patience is much appreciated. Is an EoT possible as we would be more than happy to agree to one?

Dear Richard,

Any news on the additional drainage information? The target date is 20th Dec 2017 (Wednesday) and I am required to make a decision by then on advice from the Director of Place.

As it currently stands our Drainage Engineer will have two working days to make comment. This is significantly less than the minimum 14 days they are usually provided with.

Dear Richard,

Many thanks for dealing with the sweetcorn extension so promptly.

I attach amended CMP details following your comments which you issued some weeks ago. I trust that these address the points raised and that the condition can now be discharged.

The additional drainage information will also be with you very soon.

Regards
