Dear Richard,

I'm sorry for the delay. I thought this would be a relatively quick and simple s106 but I think the process has been hampered by a change in legal case officer [REDACTED] My last update was mid-February when I was told that the s106 was with WSCC so I have just asked for a further update. I will let you know when I get one.

Simon.

Simon,

Could you update on the above and progress on the s.106 and, if possible, give an indication when the issue of pp is likely?

Regards and many thanks
