Dear Mr Binns,

Planning (Listed Buildings and Conservation Areas) Act 1990 (as amended)

Listed Building Consent for Alterations, Extension or Demolition of a Listed Building

Development: Listed building consent for the replacement of double glazed aluminum / timber windows and doors with double glazed painted timber casement, sprung sash windows and matching French doors.

Location: Little Welbourne Church Lane Pagham PO21 4NX

Thank you for your recent application which I received on 1st September 2026. It is being validated by Ms Ella Summerfield who will be able to assist you should you have any questions.

I regret that I am unable to accept your documents as a valid application until the following item(s) have been received or resolved :-

The existing and proposed east elevation plans have an inconsistency with the first floor balcony.

The existing floor plans are required.

Part of the roofing on the proposed north elevation plan is inconsistent with the existing north elevation plan. Please clarify or amend. If changes to the roof are within the proposal then a roof plan will be required and works should be included in the application description.

Please confirm if there will be internal changes, the existing and proposed sectional plans are inconsistent, if not then please clarify.

The proposed W10 north elevation door is drawn as a window on the proposed ground floor plan and isn't shown in the window/door schedule

The number of windows and external doors shown to be changed are inconsistent between the schedule and the elevations

All the proposed and existing plans require a scalebar.

Listed building elevation and floor plans required north arrows.

Schedule of Works

A schedule of works should show clearly what changes are proposed such as those affecting the layout, or any particular feature.

Method Statement

A statement should be provided identifying the method of undertaking the works to any important features (such as historic walling or important features) will not be harmed during the construction phase.

For further detailed information on validation requirements please go to our website and refer to the requirements list for this type of application: <https://www.arun.gov.uk/making-a-planning-application>
If you are unable to access the website, please contact this office so a copy can be sent to you.

Where the information requested above relates to a local validation requirement, you may request that the requirement is waived. The information requested should be reasonable having regard to the nature and scale of the proposed development and about a matter which it is reasonable to think would be a material consideration in determining the application. If you do not feel this is the case, you can serve a notice on the Council, specifying which particulars or evidence you do not consider meet this test of reasonableness. You must state which items you disagree with and set out the reasons why you hold the view, please quote the application reference in your letter or email. The Council will then consider your case and respond. It should be noted that there is no right to challenge the national requirements as these requirements are contained in planning legislation.

If providing additional documents or information, please email it to: planning.responses@arun.gov.uk with a covering email clearly explaining what is being provided. Do not resubmit it via the planning portal as we receive all the original information plus any amended information and it is not clear what has changed. Please provide the above by **18th September 2026** or your application will be closed as incomplete and where a fee has been paid, I will retain £40.00 (or the entire fee, if less than £40.00) to cover the cost of administering the return. If you have difficulty meeting this deadline please contact the above officer to agree an extension to this time scale. Once the application has been closed, you will need to submit a fresh application if you still want to proceed.

Yours sincerely

Neil Crowther
Group Head of Planning
