Dear Arun council planning ,

Enclosed is our form for non material amendment on our granted planning permission.

We enclose drawings which explain the amendments clearly . In all other instances the proposed building is exactly the same . We enclose 3 copies of the granted application , and 3 further copies of the amended drawings .

Please note that all changes are on the south west elevation of the building and do not overlook or are overlooked by anybody

We enclose a cheque for £195.00 payable to Arun council which I believe is the fee for submitting this amendment

Many thanks

Joseph and Rebecca Bennett
