Subject: Pagham Responses

At a meeting of its Planning Committee held on 28th November 2017, Pagham Parish Council considered the following applications:

- 1.1 P/119/17/PL, P/120/17/L, P/122/17/PL, P/123/17/L – Barton Manor, Barton Close Pagham PO21 4FH**
Application for permission and listed building consent for insertion of fixed rooflight and glazed lantern to flat roofed area, permission and listed building consent for insertion of 3No. rooflights to south roof plane and replacement metal framed arched windows. RESOLVED: NO OBJECTION
- 1.2 AW/271/17/PL – 36 Apple Grove, Aldwick PO21 4NB – 2 storey side extension to form 1No dwelling. This application also lies within the parish of Pagham. RESOLVED: To OBJECT to the application. It was felt that the plans represented an over-development of the site and would not reflect or improve the character of the surrounding area and street scene, contrary to Policy D DM1 Para 1 Character of the emerging ADC Local Plan 2011-31.**
- 1.3P/118/17/PL – Variation of conditions 5,6,7,8,9 & 14 imposed under P/97/15/PL relating t the change verbage from “within 6 months of planning consent” to “No development shall commence unless and until approved by the local authority” – RESOLVED: NO OBJECTION provided the Pagham Flood Defence Trust Community Interest Company were content with the wording being proposed.**
